July 26th, 27th, 28th, and 29th 2010 Cy Woods Volleyball Camp Application

The Cy Woods Volleyball Camp will give each athlete an opportunity to improve and excel in the sport of volleyball. The camp focuses on techniques, game strategies, teamwork, and social development. Players will be grouped by similar age groups and ability levels. It has been through these strategies that the Cy Woods Wildcats Volleyball Team started their first season with success. The 9th grade camp is always beneficial for those interested in trying out for the 2010 volleyball team season. The main objective of the camp is to provide each camper with a meaningful experience on and off the court. The camp is fun, informative, and challenging!

I look forward to seeing our loyal returnees and lots of new faces! *Ashley Ahlfinger*
